
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/R22/36 Amdt 1.

Robinson R22 Series Helicopters

**AD/R22/36
Amdt 1**

Main Rotor Blades - 2

7/2006

Requirement: CANCELLED.

This AD is cancelled on 6 July 2006.

Background: This AD is no longer required because all Robinson R22 helicopters now have new design P/N A016-4 blades fitted which are not susceptible to corrosion pitting due to their use of a stainless steel skin. The old design P/N A016-2 blades were required to be removed by 1 April 2006 in accordance with AD/R22/53.
