AD/R22/42

Main Rotor Blades

5/2009

Requirement: CANCELLED.

This AD is cancelled on 7 May 2009.

Background: This unique Australian AD specified verification that the installed main rotor blades were the same as installed by Robinson at manufacture or overhaul, or were replacement blades purchased from Robinson or an approved Service Centre. Compliance was required by June 1996. The AD was made redundant in 2005 by AD/R22/53.
