
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/BEECH 60/37.

Beechcraft 60 (Duke) Series Aeroplanes

AD/BEECH 60/37

Nose Baggage Locker Door

6/2008

Requirement: CANCELLED.

This AD is cancelled on 5 June 2008.

Background: This unique Australian AD was raised in 1981 against Beechcraft Service Instruction (SI) No. 1169 requiring a secondary latching feature to the hinged nose baggage door following instances of opening in flight. Compliance with this AD was required before 1 January 1982.

As all affected aircraft would have been modified long ago, this AD is no longer required.
