

Beechcraft 60 (Duke) Series Aeroplanes

AD/BEECH 60/41 **Elevator Hinge Attachment Areas** **13/89**

- Applicability: Models 60, A60, and B60 with S/Nos P-3 through P-596.
- Requirement: Action in accordance with Beechcraft Mandatory SB 2328.
- Compliance: Prior to exceeding 100 hours time in service after 28 December 1989, or at the next scheduled inspection for issue of a Maintenance Release after 28 December 1989, whichever occurs later.
- Background: The manufacturer has received reports of partial outboard elevator separations, and considers this inspection Mandatory to ensure integrity of the elevator to stabilizer attachments.
