

Beechcraft 65 and 70 (Queen Air) Series Aeroplanes

AIRWORTHINESS DIRECTIVE

For the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/BEECH 65/18 Amdt 1.

AD/BEECH 65/18 Wing Piano Wire Installation Pin - Installation 11/2000 Amdt 1

Requirement: CANCELLED.

Background: This AD was first issued in 1971 and required modification of certain serial number aircraft to prevent the piano wire pins from migrating outwards. During a review of airframe ADs for the Beech heavy twin engine models, it was determined that this requirement could be cancelled because with the passage of time all affected aircraft have by now been modified.

David Alan Villiers
Delegate of the Civil Aviation Safety Authority
