
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/CESSNA 400/31 Amdt 1.

Cessna 400 Series Aeroplanes

**AD/CESSNA 400/31
Amdt 1**

Placards and Cabin Fittings

9/2008

Requirement: CANCELLED.

This AD is cancelled on 28 August 2008.

Background: This unique Australian airworthiness directive (AD), issued in 1994, required installation of placards and modification of the exit door and the passenger cabin seats. As all aircraft would have been modified by now and these requirements are covered elsewhere in AD/GENERAL/4 Amendment 1, the AD is no longer required.
