
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/DH 104/2.

DH 104 (Dove) Series Aeroplanes

AD/DH 104/2 Siebe Gorman Safety Belt - Modification 12/2008

Requirement: CANCELLED.

This AD is cancelled on 20 November 2008.

Background: This unique AD was raised in 1971 against De Havilland Modification No. Dove 542 (Technical News Sheet - TNS CT (104) No. 69), requiring a modification to Siebe Gorman Safety Belts.

Compliance was before 1 September 1971.

As all affected aircraft would have been modified by now, this AD is no longer required.

David Villiers
Delegate of the Civil Aviation Safety Authority

2 October 2008
