## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/DHC-1/18.

---

### De Havilland DHC-1 (Chipmunk) Series Aeroplanes

**AD/DHC-1/18      Fuselage Centre Top Structure - Inspection      11/2008**  
**and Modification**

Requirement:      CANCELLED.

This AD is cancelled on 23 October 2008.

Background:      This unique Australian AD, raised in 1966 against Hawker Siddeley Technical News Sheet (TNS) CT(CI) No. 154, required an inspection, and, if necessary, modification of the fuselage centre top structure. Compliance was required before 1 January 1968.

As all affected aircraft would have been inspected and modified by now, this AD is no longer required.
