

SIAI Marchetti FN-333 (Riviera) Series Aeroplanes

AD/FN-333/4 Front Seat Restraint Installations - Modification NK

Applicability: All models.

Requirement: Modify each front seat restraint installation by fitting a safety harness in accordance with a scheme approved by the Secretary.

Note: Guidelines for installation schemes are outlined in Airworthiness Advisory circular No. 62 dated March 1972.

Compliance: Before 1 January 1974.
