

GAF N22 and N24 Series Aeroplanes

---

**AD/GAF-N22/32**                      **Trim Tab Hinge to Horizontal Stabiliser**                      **3/80**  
**Attachment - Inspection**

- Applicability:    All N22 and N24 series which have had replacement trim tab hinge P/N MS20001-4 fitted in service.
- Document:        GAF Telex Alert SB ANMD-27-16.
- Compliance:     Unless already accomplished, within 20 hours time in service after 14 February 1980.
- Background:     An operator has had a replacement hinge fitted in which the rivet holes in the horizontal stabiliser attach section of the hinge were drilled with nil edge distance.
