
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/L200/7.

Morava L200 Series Aeroplanes

AD/L200/7

**Main Undercarriage Breakstrut
Hinges - Inspection**

7/2009

Requirement: CANCELLED.

This AD is cancelled on 2 July 2009.

Background: This AD, raised in 1978 against Omnipol Service Bulletin (SB) No. L200/111, required an inspection of the main undercarriage breakstrut hinges. Compliance was required before issue of Certificate of Airworthiness.

As published maintenance schedules adequately address the required inspection, this AD is no longer required.
