
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/M20/26.

Mooney M20 Series Aeroplanes

AD/M20/26 **Landing Gear Actuator - Replacement** **5/2009**

Requirement: CANCELLED.

This AD is cancelled on 7 May 2009.

Background: This AD was raised in 1977 against Mooney Service Bulletin (SB) No. M20-194, and required replacement of main landing gear actuators. Compliance was required within 200 hours TIS after 31 March 1977.

As all affected aircraft would have been modified long ago, this AD is no longer required.
