
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/ML-M4/11.

Maule M-4 Series Aeroplanes

AD/ML-M4/11 Engine Mount - Inspection and Modification 2/2009

Requirement: CANCELLED.

This AD is cancelled on 12 February 2009.

Background: This unique Australian AD, issued in 1978, required inspection and modification of the engine mount in accordance with Maule Service Letter No. 20 to prevent cracking. The AD compliance was within 100 hours time in service after 31 October 1978. As all aircraft would have been modified by now, the AD is no longer required.

David Punshon
Delegate of the Civil Aviation Safety Authority
