
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/MSR/29.

Aerospatiale Rallye Series Aeroplanes

AD/MSR/29

Engine Mount

9/2009

Requirement: CANCELLED.

This AD is cancelled on 27 August 2009.

Background: This unique Australian AD specified periodic inspection of the engine mount in accordance with Service Bulletin No. 146. Inspection was required at each issue of a maintenance release. Use of an AD to mandate this inspection is no longer justified.

David Villiers
Delegate of the Civil Aviation Safety Authority

30 June 2009
