
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/P68/4.

Partenavia P68 Series Aeroplanes

AD/P68/4 **Auxiliary Fuel Pump Drains - Inspection** **9/2008**

Requirement: CANCELLED.

This AD is cancelled on 28 August 2008.

Background: This AD specified a once-only inspection of the auxiliary fuel pump drains in all aircraft of model P68. Compliance was required within 50 hours time in service after August 1976. Italian AD P.68-20 specified the same inspection, but for a limited range of serial numbers. P.68-20 nominated Partenavia SB No. 43. AD/P68/4 required amendment if it was to match P.68-20 but, as compliance was achieved in 1976, it is being cancelled.
