Partenavia P68 Series Aeroplanes

AD/P68/5 **Circuit Breaker Installation - Inspection** **9/2008**

Requirement: CANCELLED.

This AD is cancelled on 28 August 2008.

Background: This unique Australian AD specified once-only inspection of circuit breakers to ensure they were connected to the nominated services. The AD was raised in response to a defect found in an Australian aircraft. Compliance was required within 100 hours time in service after May 1977. The AD is no longer required.
