## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/P68/45.

---

### Partenavia P68 Series Aeroplanes

**AD/P68/45**

**Wing Spar Inspection**

**9/2008**

Requirement: CANCELLED.

This AD is cancelled on 28 August 2008.

Background: This unique Australian AD specified once-only inspection of forward and rear wing spars to determine if a modification had been carried out as a result of Partenavia SB No. 65 (AD/P68/22), and if so, further inspection for new or continued crack growth. Inspection was required within 25 hours time in service after September 1998. The AD is no longer required.
