
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/PA-22/4.

Piper PA-22 (Tri-Pacer and Colt) Series Aeroplanes

AD/PA-22/4

Nose Wheel Mount - Stiffener Brace

7/2008

Requirement: CANCELLED.

This AD is cancelled on 3 July 2008.

Background: This Directive specified a brace kit to be installed on the nose wheel mount in accordance with Piper SL No. 180. This Directive was not based on a USA Directive. As this Directive and SL No. 180 have been in force since 1951, all affected aircraft would have been modified long ago. Hence, this AD is no longer required.
