## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/PA-22/21.

---

### Piper PA-22 (Tri-Pacer and Colt) Series Aeroplanes

**AD/PA-22/21**

**Landing Gear Fairing - Modification**

**7/2008**

Requirement: CANCELLED.

This AD is cancelled on 3 July 2008.

Background: This Directive specified once-only modification of the fabric fairing on the main landing gear. This Directive was not based on a Piper service document or a USA Directive. This Directive has been in force since 1963 so all affected aircraft would have been modified long ago. Hence, this AD is no longer required.
