
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/PA-22/22.

Piper PA-22 (Tri-Pacer and Colt) Series Aeroplanes

AD/PA-22/22

Rudder Pedals - Modification

7/2008

Requirement: CANCELLED.

This AD is cancelled on 3 July 2008.

Background: This Directive specified once-only modification of the inboard rudder pedals. This Directive was not based on a Piper service document or a USA Directive. This Directive has been in force since 1964 so all affected aircraft would have been modified long ago. Hence, this AD is no longer required.
