## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/PA-25/21 Amdt 3.

---

### Piper PA-25 (Pawnee) Series Aeroplanes

**AD/PA-25/21  
Amdt 3**

**Top Longeron - Modification**

**12/2008**

Requirement: CANCELLED.

This AD is cancelled on 20 November 2008.

Background: This AD specified modification of the top longeron in accordance with Piper SB No. 341 before reaching 1000 hours time in service. The AD was similar to USA AD 66-07-06 (superseded by 73-15-05). The modification was mandated in 1971 so all affected aircraft will have been modified.

David Villiers  
Delegate of the Civil Aviation Safety Authority

2 October 2008
