## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/PA-25/29.

---

### Piper PA-25 (Pawnee) Series Aeroplanes

**AD/PA-25/29**

**Wing Strut - Inspection**

**12/2008**

Requirement: CANCELLED.

This AD is cancelled on 20 November 2008.

Background: This unique Australian AD specified periodic inspection for cracking of the wing lift struts. The AD was not based on a Piper service document. Compliance was required at intervals not exceeding 500 hours time in service. Using an AD to make this inspection mandatory is no longer warranted.

David Villiers  
Delegate of the Civil Aviation Safety Authority
