
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/PA-28/7 Amdt 1.

Piper PA-28 Series Aeroplanes

**AD/PA-28/7
Amdt 1**

**Magneto Radio Interference
Filters - Modification**

6/2008

Requirement: CANCELLED.

This AD is cancelled on 5 June 2008.

Background: This Directive specified installation of insulating boots on the terminals of magneto switch filters to control radio interference. This Directive did not specify a US Directive or Piper service document. This Directive was issued in 1969 so the unsafe condition no longer exists.
