
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/PA-28/8.

Piper PA-28 Series Aeroplanes

AD/PA-28/8

Rudder Trim Installation

7/2008

Requirement: CANCELLED.

This AD is cancelled on 3 July 2008.

Background: This Directive, issued in 1967, specified Piper SB No. 237 which called for once-only modification of the rudder trim installation. As all affected aircraft would have been inspected, and, if necessary, modified long ago, this AD is no longer required.
