
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/PA-28/9.

Piper PA-28 Series Aeroplanes

AD/PA-28/9

**Battery Lead Attachment - Inspection
and Modification**

6/2008

Requirement: CANCELLED.

This AD is cancelled on 5 June 2008.

Background: This Directive specified inspection, and possible modification, of the main electrical power supply cable in aircraft whose battery was installed aft of the luggage locker. This Directive did not specify a US Directive or Piper service document. This Directive was issued in 1966 so the unsafe condition no longer exists.

James Coyne
Delegate of the Civil Aviation Safety Authority

22 April 2008
