## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/PA-28/23 Amdt 2.

---

### Piper PA-28 Series Aeroplanes

**AD/PA-28/23**                      **Rudder Trim Arm Assembly Cracking**                      **9/2008**  
**Amdt 2**

Requirement:    CANCELLED.

This AD is cancelled on 28 August 2008.

Background:    This unique Australian AD required inspection of the rudder trim arm assembly at each issue of a maintenance release. The AD was not based on a manufacturer's service document. A review indicated its retention as an AD was no longer warranted.

David Villiers  
Delegate of the Civil Aviation Safety Authority
