## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/PA-28/74.

---

### Piper PA-28 Series Aeroplanes

### AD/PA-28/74      Fuel and Vapour Return Lines - Modification      7/2008

Requirement:      CANCELLED.

This AD is cancelled on 3 July 2008.

Background:      This unique Australian AD required once-only modification of fuel and vapour return lines in accordance with Piper SB No. 625. The AD required compliance within 100 hours time in service after January 1979. As all affected aircraft have now been modified this AD is no longer required.

James Coyne  
Delegate of the Civil Aviation Safety Authority

22 May 2008
