
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/PA-28/81.

Piper PA-28 Series Aeroplanes

AD/PA-28/81

Fuel Filter Drain Valve - Replacement

7/2008

Requirement: CANCELLED.

This AD is cancelled on 3 July 2008.

Background: This unique Australian AD required once-only replacement of a fuel filter drain valve. The AD required compliance within 100 hours time in service after May 1981. As all affected aircraft have now been modified this AD is no longer required.

James Coyne
Delegate of the Civil Aviation Safety Authority

22 May 2008
