

Piper PA-30 & 39 (Twin Comanche) Series Aeroplanes

AD/PA-30/20

CANCELLED

8/88

Background: This Airworthiness Directive was used as a first of type certification requirement and called up ANO Part 101.22 Para 6.23.2. The original Requirement as specified in AD/GENERAL/19; was cancelled in 1973 and transferred to 101.22. It has been subsequently transferred to ANO 101.0 which is applicable to all aircraft prior to CofA issue.
