
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/PA-31/104.

Piper PA-31 Series Aeroplanes

AD/PA-31/104

Elevator Outboard Hinge Installation

8/2008

Requirement: CANCELLED.

This AD is cancelled on 31 July 2008.

Background: This unique Australian AD required once-only modification of the elevator outboard hinge in accordance with Piper SB No. 737. The AD required modification before 30 June 1982, so all affected aircraft would have been modified long ago.
