
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/PA-31/113 Amdt 1.

Piper PA-31 Series Aeroplanes

**AD/PA-31/113
Amdt 1**

Elevator Hinge

8/2008

Requirement: CANCELLED.

This AD is cancelled on 31 July 2008.

Background: This unique Australian AD required once-only inspection of the elevator hinge in accordance with Piper SB No. 826A. The AD required inspection within 25 hours TIS after October 1986, so all affected aircraft would have been modified long ago.

David Villiers
Delegate of the Civil Aviation Safety Authority

17 June 2008
