## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/PA-32/9 Amdt 1.

---

### Piper PA-32 (Cherokee Six) Series Aeroplanes

**AD/PA-32/9  
Amdt 1**

**Aileron Spar**

**10/2008**

Requirement: CANCELLED.

This AD is cancelled on 25 September 2008.

Background: This unique Australian AD required inspection of the ailerons at intervals not exceeding 100 hours time in service. The AD was not based on a manufacturer's service document. A review indicated its retention as an AD was no longer warranted.

David Villiers  
Delegate of the Civil Aviation Safety Authority

12 August 2008
