## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/PA-36/5 Amdt 1.

---

### Piper PA-36 (Pawnee Brave) Series Aeroplanes

#### **AD/PA-36/5      Pre-Certification Requirements - Modifications    3/2009** **Amdt 1**

Requirement:    CANCELLED.

This AD is cancelled on 12 March 2009.

Background:    This unique Australian AD specified once-only modifications of the aircraft to ensure compliance with Section 101.22 of Civil Aviation Orders. Compliance was required prior to issue of the initial certificate of airworthiness. Section 101.22 was repealed in 1998. The AD is no longer required.

David Punshon  
Delegate of the Civil Aviation Safety Authority

8 January 2009
