

Piper PA-46 (Malibu) Series Aeroplanes

**AD/PA-46/18
Amdt 1**

Operational Limitations

5/92 TX

Applicability: Models PA-46-310P and PA-46-350P.

CANCELLED.

Background: The FAA has reviewed the recommendations of the Special Certification Review team that was established to review the certification of the affected aircraft, and has determined that the continuation of the operational restrictions required by this Directive are no longer justified.
