
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/SWSA226/54.

Fairchild (Swearingen) SA226 and SA227 Series Aeroplanes

AD/SWSA226/54

Placard - Use of Reverse Thrust

6/2009

Requirement: CANCELLED.

This AD is cancelled on 4 June 2009.

Background: This unique Australian AD, raised in 1987 against Hartzell Service Bulletin (SB) 153, required a modification by installation of a placard in a suitable position in the cockpit with the words "Until propellers are modified to Hartzell SB 153, avoid use of full reverse pitch".

Compliance was: By 30 October 1987.

This AD has been sufficiently promulgated for the affected aircraft to have been modified by now; therefore this AD is no longer required.
