

Aerostar (Piper/Ted Smith) 600 and 700 Series Aeroplanes

AD/TSA-600/19

Fuel System Placards - Installation

5/79

Applicability: All models.

Document: Piper Aerostar SB No. SB600-79.

Compliance: Before 30 June 1979.

Background: Resulting from a recent review of the Aerostar fuel system by the FAA, additional and revised placards are now required to be installed in accordance with SB No. SB600-79.
