
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/TSA-600/29.

Aerostar (Piper/Ted Smith) 600 and 700 Series Aeroplanes

AD/TSA-600/29

Wing Tank Fuel Line - Inspection

6/2009

Requirement: CANCELLED.

This AD is cancelled on 4 June 2009.

Background: This unique Australian AD specified inspection of wing tank fuel lines for signs of chafing on the aileron push rod. The inspection was not based on a service document and was to be performed before further flight. The AD was issued in 1981 and is no longer required.

James Coyne
Delegate of the Civil Aviation Safety Authority
