
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/BEECH 200/27.

Beechcraft 200 (Super King Air) Series Aeroplanes

AD/BEECH 200/27

Engine Hose Assembly

4/2008

Requirement: CANCELLED.

This AD is cancelled on 10 April 2008.

Background: This AD was raised against manufacturer's mandatory Service Instruction (SI) 0998. This SI required that some engine fuel/oil flexible hose fittings made by the Deutsch Company should be replaced having been found to be unsatisfactory. As compliance with this AD was required within 25 hours TIS after 1 September 1978 it is considered the unsafe condition no longer exists. Also as the requirement was promulgated in 1978, and this AD is not subject to an FAA AD, this AD is considered obsolete.
