
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/BEECH 33/22.

Beechcraft 33 and 35-33 (Debonair/Bonanza) Series Aeroplanes

AD/BEECH 33/22

Internally Lighted Altimeters

13/2007

Requirement: CANCELLED.

This AD is cancelled on 20 December 2007.

Background: This AD was issued in 1975 and required a one off inspection and replacement of certain altimeters installed in Beech aircraft between September 1972 and August 1973. All applicable altimeters should have been replaced and therefore the unsafe condition no longer exists.
