## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/BO 105/7 Amdt 1.

---

### Eurocopter BO 105 Series Helicopters

**AD/BO 105/7  
Amdt 1**

**Fatigue Life Limitations**

**10/2009**

Requirement: CANCELLED.

This AD is cancelled on 24 September 2009.

Background: This AD, raised in 1995, required all components listed in the BO 105 maintenance manual, Volume 4, Chapter 101, Paragraph 101-9, Revision 10 to be retired from service at times specified.

As the BO 105 life limits are now contained in the LBA approved Airworthiness Limitations, with which compliance is mandatory, this AD is no longer required.
