
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/BO 105/4.

Eurocopter BO 105 Series Helicopters

AD/BO 105/4

Dual Flight Controls

8/2009

Requirement: CANCELLED.

This AD is cancelled on 30 July 2009.

Background: This AD, raised in 1986 against MBB Alert Bulletin AB 27, required a modification to prevent the possibility of the co-pilots collective pitch stick swivelling sideways under the co-pilots seat blocking the collective control. Compliance was required before further flight after 1 July 1986.

As all affected aircraft would have been modified long ago, this AD is no longer required.
