
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/SWSA226/93.

Fairchild (Swearingen) SA226 and SA227 Series Aeroplanes

AD/SWSA226/93

Rudder Gust Lock

2/2009

Requirement: CANCELLED.

This AD is cancelled on 12 February 2009.

Background: This AD placed a life limit on the gust lock assembly following the in-flight engagement of the rudder gust lock. The manufacturer has published the life limits for the gust lock assembly in Chapter 05 of the Aircraft Maintenance Manual; therefore the requirements of this AD are no longer required.
