AIRWORTHINESS DIRECTIVE

For the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/UH-1/14.

**AD/UH-1/14 Retirement Lives of Fatigue Critical Components 10/2000
TX**

Requirement: CANCELLED.

Background: This Directive appears to be causing conflict in the retirement lives of components of ex-military helicopters. This was not the intention. This Directive is cancelled pending review of the AD requirements.
